REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. §1.323**

Sir:

In accordance with the procedure set forth in M.P.E.P. § 1481, applicants petition for the correction of the assignee's name in the above-identified patent. It is respectfully requested that 37 C.F.R. § 3.81(a) be waived to permit the correct name of the assignee to be provided after issuance of the patent and that the enclosed Certificate of Correction be issued correcting the following error:

On the title page:

In item [73] Assignee, change the name of the Assignee from "Boehringer Ingelheim KG" to -- Dr. Karl Thomae, GmbH --.

The fee required for this Petition under 37 CFR §1.17(h) at this time is \$130.00. The fee required for submission of this Certificate of Correction under 37 CFR 1.20(a) at this time is \$100.00. The Commissioner is hereby authorized to charge these and any other fees which may be required, and to credit any overpayment, to Deposit Account No. 02-2955. On page 1, in the field designated "[73] Assignee", the assignee is improperly designated as being "Boehringer Ingelheim KG". The Certificate of Correction will change the name of the assignee to --Dr. Kar Thomae, GmbH --. The improper designation of the assignee is the result of an inadvertent clerical error on the part of the applicants in which the name of the assignee is stated improperly in Item 3, Box 5 of Form PTOL-85B. Dr. Karl Thomae, GmbH is properly named as assignee and can be determined by reference to the Assignment document itself, which has been recorded at Reel/Frame: 6404/638. A copy of the Notice of Recordation of Assignment Document and the Assignment are attached hereto.

Respectfully submitted,
